

## Goodfellow Corporation Names Tyler Simpson Key Account Manager for North America

**Huntingdon (UK) ... 27 May 2020 ...** Goodfellow, a leading global supplier of metals and materials for research and product design, is pleased to announce the appointment of Tyler Simpson as Key Account Manager for North America. Mr. Simpson will be the primary point of contact for Goodfellow's key accounts in North America, assisting them in the selection of materials and providing answers to technical questions about specific materials, their properties and potential applications.

Mr. Simpson received both a Bachelor of Science and a Master of Science degree from West Virginia University.

"Tyler represents an important dimension to our business," states Stephen Aldersley, president of Goodfellow Corporation. "With his focus and skills, he is a valuable resource for our key accounts in North America."

Mr. Simpson can be reached at [tyler.simpson@goodfellowusa.com](mailto:tyler.simpson@goodfellowusa.com) or 1-800-821-2870.

### About Goodfellow

For more than 50 years, Goodfellow has been a leading supplier of metals, polymers, ceramics and other materials to meet the needs of science and industry worldwide. The company specializes in supplying small quantities (a few grammes to a few kilos) of metals and materials for research, prototype development and specialized manufacturing applications. Standard products can be found online at the comprehensive [Goodfellow Catalogue](#). Custom products and materials in larger quantities are available upon request at [info@goodfellow.com](mailto:info@goodfellow.com).
