

# Polyaramid/Vinylester Composite Rod

**Formula:** Polyaramid fibre - Vinylester matrix

**Diameter:** 6mm

**Length:** 200mm

**Production Method:** Pultruded

**UOM Code:** 084-311-85

**SKU:** 1000012140-group

**Product Code:** VE41-RD-000160

## Material Properties for Composites

### Thermal Properties

Element	Value
Lower working temperature( C )	-50
Upper working temperature( C )	80
